

State of Texas.
Travis County

This day personally appeared Hiram Brown
of Angelena County Tex (to me
made known by J.H. Newark of
Houston G) who being duly sworn
says, he is well acquainted with
Wm Conner now an applicant for
Pension from the County of Houston
aged about 60 years. He has
known the said Conner since
the year 1828 or 1829. Knows that
the said Conner participated in
the battle of Nacogdoches in 1832
on the Texas side from the fact that
he affiant was in the said
battle with the applicant W M
Conner
